

Cocoa Peppermint Fudge Bites

Makes one 8" x 8" inch pan or 50 mini-bites

- 1 cup milk chocolate, chopped
- 2 cups semi-sweet chocolate, chopped
- 1 14-ounce can sweetened condensed milk
- 1/4 cup butter
- 1 4-ounce bag **Nature's Habit Granola Trail Mix with Cocoa, Cherries, Almonds & Pecans**
- 5 peppermint candies or one regular-sized candy cane, crushed

Butter an 8" x 8" pan or line a mini-muffin tin with cupcake papers.

Place chocolate, sweetened condensed milk, and butter or margarine in large microwaveable bowl. Cook in microwave on low until chocolate is melted, about 3 to 5 minutes, stirring three or four times during cooking. Once the butter is incorporated, spread the fudge in the prepared pan. Cover the top with the trail mix and then sprinkle with the peppermint. Chill for one hour to firm up.
