

## Pretzel Twigs

*Makes two dozen pretzel treats*

- 1 12-ounce package butterscotch chips
- 24 large pretzel rods
- 1/2 cup unsalted peanuts
- 8 ounces **Natures Habit Granola Cereal**

*Line a cookie sheet with tin foil, parchment paper or waxed paper.*

Place granola and peanuts into a zip-top baggie and hit with a mallet or bottom of a small pan to break up peanuts. Place the crumbs on a shallow dinner plate; set aside.

Place butterscotch chips in microwavable bowl. (Be sure bowl and utensils are completely dry.) Microwave on high for 1 minute; stir. Continue microwaving at 30-second intervals, stirring after each interval, until chips are melted.

Dip one half of each pretzel rod into melted butterscotch and immediately roll in granola.

Place dipped pretzels on prepared cookie sheet, let stand until set. Do not refrigerate.

To arrange a “bouquet” of pretzels, pour leftover granola in the bottom of a jar and place the pretzels dipped ends up in the jar and decorate with ribbon.
